### **FIVE STAR: Best in Client Satisfaction Wealth Managers (SM) Announced**

Posted: October 1, 2008

Cincinnati, OH (October 1, 2008) - In the October issue of *Cincinnati Magazine*, the 2008 FIVE STAR: Best in Client Satisfaction Wealth Managers (SM) are announced. *Cincinnati Magazine* formed a partnership with Crescendo Business Services, an independent research firm, to identify the “best in client satisfaction” wealth managers serving the Cincinnati area. In February, Crescendo surveyed, by mail and phone 54,250 high-net-worth residents in the Cincinnati area and subscribers of *Cincinnati Magazine*. An additional 8,350 surveys were sent to leaders of financial service industry companies.

On the surveys, recipients were asked to select only wealth managers whom they knew through personal experience, and to evaluate them based upon nine criteria: customer service, integrity, knowledge/expertise, communication, value for fee charged, meeting of financial objectives, post-sale-service, quality of recommendations and overall satisfaction.

By March, stacks of surveys had arrived and Crescendo began carefully scoring each wealth manager. Both positive and negative evaluations were included in the scoring. Only wealth managers with five years of experience in the financial services industry were considered.

Next, each wealth manager was reviewed for regulatory actions, civil judicial actions and customer complaints as reported by FINRA (the Financial Industry Regulatory Authority) and other regulatory agencies.

Then, before finalizing the list, wealth managers were reviewed by a blue-ribbon panel. The blue-ribbon panel was comprised of knowledgeable individuals from within the financial services industry. Although panelist comments were incorporated into the final score, safeguards were built into the review process to reduce the ability of panel members to influence the composition of the final list on the basis of company affiliation.

The resulting list of 2008 FIVE STAR Wealth Managers is an elite group, representing less than 6 percent of the wealth managers in the Cincinnati area. Only 409 of the top-scoring wealth managers made this year’s list. We hope this list serves as a referral network for the 297,000 readers of *Cincinnati Magazine*. Is this list exhaustive? Of course not. There are undoubtedly many other excellent wealth managers who, for one reason or another, are not on this year’s list.
